25 May 2011

Great Falls Soccer Club (GFSC) Commissioner Kenny Cushing and Shant Tatarian (Sterling Soccer) have entered into a partnership between GFSC and Sterling Soccer to become GFSC's exclusive provider of team and individual equipment. Through this partnership, GFSC and its members will realize tremendous benefits to include:

- 1) **Savings** on product purchases
 - 10% off all regular price products for all members
 - 20% off all regular price products for all professional and volunteer coaches (verification required)
 - 25% off all regular price products for all Board of Director members (verification required)
 - 25% off all individual uniform purchase replacement items (i.e., not-team bulk purchases)
 - 35% off all team bulk purchase uniform items
- 2) **Economies of scale** through consolidated uniform purchases
- 3) **Exclusive contract** with Adidas (providing GFSC teams and members with top of the line equipment and uniforms)
- 4) **Increased club revenues** through credits from Adidas (based on annual GFSC sales from teams and individuals)

It is important that GFSC members state at time of purchase that they are a member of the Great Falls Soccer Club. Coaches and Board members must verify their identity and team.

By shopping at Sterling soccer, you will not only realize personal benefits and savings, but you will be contributing to the clubs long-term financial health...one of the Commissioner's Critical 10!

Thank you very much to Sterling Soccer and GFSC teams and members for their contributions to our club.

Cheers,

Kenneth T. Cushing
